## DOMINION ORDERS IN COUNCIL.

P.C. No. 1597.

AT THE GOVERNMENT HOUSE AT  
OTTAWA.

Saturday, the 5th day of August, 1922.

PRESENT:

HIS EXCELLENCY THE DEPUTY  
GOVERNOR-GENERAL IN  
COUNCIL.

**W**HEREAS the Acting Minister of the Interior reports that the Government of the Province of British Columbia has, under the terms of an agreement between that Government and the Government of the Dominion, with reference to mineral lands in the Railway Belt, as set out in the Order in Council of 11th February, 1890, applied for a grant of the undermentioned lands, and has complied with the provisions of the Order in Council of the 13th May, 1899, by filing the sworn declaration of John Viars, Dominion Land Surveyor, to the effect that the lands in question are of no value for agricultural purposes or for the timber growing thereon, and has paid therefor, at the rate of \$1 an acre, the sum of \$33.45, the said lands being:—

That certain parcel or tract of land situate in Section Thirty-six in the Twenty-first Township and Section One in the Twenty-second Township, in the Twenty-first Range, west of the sixth meridian, comprising a portion of the Efford Mineral Claim, being Lot One thousand seven hundred and thirty-five, in the Kamloops Mining Division of the Yale District, in the Province of British Columbia, which may be more particularly described as follows:—

Beginning at a wooden post in a stone mound situated six hundred and eighty-one feet and nine-tenths of a foot, more or less, north and eight hundred and thirty-five feet and eight-tenths of a foot, more or less, west of a wooden post and stone mound at the north-east corner of Section Thirty-six of the said Township Twenty-one, and being at the north-west corner of Mining Location Nine hundred and fifty-two as transferred to the Province of British Columbia by Order in Council dated the 21st day of April, one thousand nine hundred and thirteen; thence south thirteen degrees and fifty-five minutes east along the south-west boundary of the said mining location a distance of one thousand five hundred feet, more or less, to a wooden post in a stone mound; thence south seventy-six degrees

and five minutes west a distance of eight hundred and eighty-five feet, more or less, to the point of intersection with the east boundary of Legal Sub-division Fifteen of the said Section Thirty-six; thence northerly along the said east boundary a distance of nine hundred and eighty-seven feet, more or less, to the north boundary of the said Section Thirty-six; thence westerly along the said north boundary a distance of eight hundred and seventy-eight feet; thence north thirteen degrees and fifty-five minutes west a distance of three hundred and thirty-feet and seventh-tenths of a foot, more or less, to a wooden post in a stone mound at the south-west corner of Mining Location One thousand seven hundred and thirty-six as transferred to the Province of British Columbia by Order in Council dated the 11th day of November, one thousand nine hundred and fifteen; thence north seventy-six degrees and five minutes east along the southerly boundary of the said mining location a distance of one thousand five hundred feet, more or less, to the point of beginning; the said parcel containing by admeasurement thirty-three acres and forty-five hundredths of an acre, more or less; all the bearings being astronomical; all according to the plan and field-notes of the Efford Mineral Claim signed by John Viars, Dominion Land Surveyor, and dated the 21st August, one thousand nine hundred and eight, and of record in the Department of the Interior under Number Nine thousand nine hundred and forty-three:

Therefore the Deputy of His Excellency the Governor-General in Council, on the recommendation of the Acting Minister of the Interior, is pleased to order that the title to the lands herein described, containing a total area of thirty-three acres and forty-five hundredths of an acre, more or less, shall be and the same is hereby vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia under the terms of the agreement and Order in Council mentioned above.

P.C. No. 1781.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY THE DEPUTY OF HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 7TH SEPTEMBER, 1922.

**T**HE Committee of the Privy Council have had before them a report, dated 8th July, 1922, from the Minister of the Interior, submitting that Mr. F. J. Bell acquired at public competition in 1907 Licensed Timber Berth No. 507, situated in the vicinity of Coquitlam Lake, in the Province of British Columbia, the berth comprising an area of 6,812 acres, for which he paid a bonus of \$43,344. Mr. Bell assigned his interest in this berth to Messrs. R. R. Hall and William Irwin, of Peterborough, Ontario, in 1909, who are the present licensees.

The Minister further submits that the City of New Westminster takes its water-supply from Coquitlam Lake, and the Vancouver Power Company has constructed a power-dam on Coquitlam River at the outlet of the lake, using the lake as a reservoir. With a view to preserving the waters of the lake from contamination and to regulate the supply of both the City and the Power Company, an Order in Council was passed in 1910 establishing the Coquitlam Conservation Reserve, which covered the watershed of the lake; and in this connection an agreement was entered into in 1913 between the City of New Westminster, the Power Company, and the Crown. Messrs. Hall and Irwin claim that by reason of the foregoing action they are prevented from taking the timber off the northern portion of their Timber Berth 507 (comprising approximately 4,256 acres), and now make an application to be granted other timber in lieu of that contained in their berth, advancing the following in support of their application:—

That they were advised by the Mayor of New Westminster that if any attempt were made to remove timber from their berth into Coquitlam

Lake, he would apply for an injunction restraining them from doing so:

That the Mayor took the ground that the City had the right to preserve the purity of the water of the lake, and had also the right to preserve the timber upon the lands within the reserve:

That the Vancouver Power Company had erected a dam across the Coquitlam River, at the outlet of the lake, without a sluiceway for the passage of logs, and has diverted some of the water from the Coquitlam River, thus, they allege, preventing the licensees from bringing their logs down the river:

That the Power Company and the City both contend that the agreement entered into with the Crown legally binds each not to permit any timber to be cut within the reserve:

That the Vancouver Power Company contends that its dam was erected under plans approved of by the Government, and consequently they are not bound to make any provision for the flotation of logs down Coquitlam Lake and River.

In December, 1915, the solicitors of the City of New Westminster protested against any logging operations being permitted on the reserve, and claimed that under the agreement the Crown was bound to preserve the timber on the reserve for the protection and conservation of the supply of water to the City, so that its purity might be maintained.

Over two years ago Messrs. Hall and Irwin claimed that they should be compensated, as the agreement entered into by the Department prevented them from taking advantage of the rights to which they were entitled by virtue of their licence. Numerous conferences were held, and it seems to have been suggested in the summer of 1920 that they might look over other timber lands as a possible exchange for Timber Berth 507. Accordingly in the summer and autumn of 1920 they made a cruise of some timber lands, and under date October 19th, 1920, forwarded a definite request for the reservation of lands on Fifteen-mile Creek in order that they might there make part of their selection of timber to be conveyed to them in lieu of that of Timber Berth 507. The reservation was tentatively made in the departmental records and they were advised to that effect.

It may be observed that, including the original sale price, Messrs. Hall and Irwin have paid to the Department of the Interior on account of Timber Berth 507 a sum approximating \$50,000, including ground rentals, fire dues, etc. Moreover, they have submitted a statement in which it is set out that, including the cost of cruises, surveys, legal fees, and interest, their total expenditure on the berth to date approximates \$130,000.

With a view of removing the possibility of litigation arising among the parties interested, and without admitting that the acts complained of were not within the authority of the Crown, notwithstanding the issuance of said lease, the Minister recommends that upon the licensees reconveying Berth No. 507 to the Crown, they be allowed to select in lieu thereof other timber of equal value on available Dominion lands.

The Committee concur in the foregoing recommendation and submit the same for approval.

(Signed) RODOLPHE BOUDREAU,  
Clerk of the Privy Council.

The Minister of the Interior. 4575 se21
